

1. Print page and trim off edges

2. Fold page in half

3. Cut along blue line
(note that blue line only goes halfway across center of page)

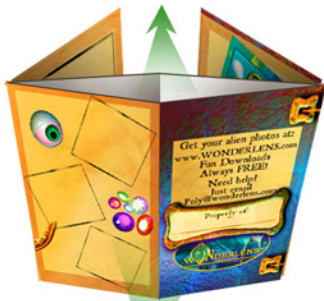

4. Unfold and your page will look like this with a single cut in the center

5. Now Fold in half lengthwise

6. Now Fold Left and Right sides

7. OK - here's the cool part!
Open up the cut in the center of the page until the two sides meet

Then Fold your book shut!
